Erie-Crawford CLC Workers Memorial Restoration Project

This picture of our Workers Memorial Monument in Perry Square in Erie, PA was taken when our monument was created in 1989. It is now beginning to show its age and needs some repairs, Please open to see what we will be doing and how you can help....

The most pressing repairs needed today are with the brick walkway around and to the monument. Pictured below are members of Bricklayers 9PA, who are graciously assisting by assessing the damage and advising us.

Since the bricks are 30 years old and approximately 60% of them are in need of repair, we have decided to replace all the bricks so they will match and add a fresh bed of sand too.

We have decided to use these repairs as an opportunity to replenish the Workers Monument Fund. This project will give an opportunity for our affiliates to purchase engraved brick/s to leave a lasting tribute from their union in the walkway around or approaching the monument.

The bricks are 4" X 8" , below is a sample layouts for a bricks.

Engraved bricks can be purchase for a cost of \$100.00 each.

The panel to the left is the order form, if you would like to order a brick/s for your union/organization (AFSCME DC 85).

Thank you in advance for your participation in our project.

Erie-Crawford CLC
Workers Memorial Fund Project
