Dear Union Siblings and Friends of the Labor Movement,

The Bi-Annual Indiana-Armstrong Central Labor Council Labor Breakfast will be held on Saturday, October 3, 2026, starting at 8:30am.

The featured speaker will be **Robert Bair**, the President of Pennsylvania Union and Construction Trades and the President of Union Energy. He will speak to our shared interests and energize us to do our part to get pro-labor candidates elected in November. Additionally, we invite candidates seeking to represent our two counties to attend and share why they deserve the votes of labor unionists and working families.

Join us at Club Savoy, 2668 Old Route 119 Highway South, Homer City, PA at 8:30 a.m. for social time. The breakfast buffet and program will begin at 9:00 a.m.

In lieu of a booklet, we will create a donors list. You or your organization can support this Labor Breakfast by placing your name and/or organization on this donors list which will be distributed at the Labor Breakfast.

In Solidarity,

Rachel Sternfeld

President, Indiana-Armstrong CLC
